Certified Trauma Services Specialist Application Instructions

Applicants are responsible for compliance with application requirements and instructions. Incomplete packets will not be reviewed. Your application fee is non-refundable, so work carefully with your sponsor to ensure compliance.

Applicants are required to obtain membership with the ATSS before applying for certification. Your membership must be processed and verified before your application for certification can be accepted at the member rate. Mail your application to ATSS Headquarters.

1. Criteria Requirements:

The Certified Trauma Responder (CTR) is appropriate for those engaged in critical incident intervention, debriefing, or emergency response. The standards for experience and education are detailed in the Minimum Standards Training and Education Form. You should review the criteria with your sponsor to ensure you meet the minimum standards.

2. Application Forms:

You must fully complete the CTR application form. Please type or print neatly. You must include your sponsor's full name and signature on the form. Your sponsor must be a CTS, CTSS or CTR in good standing with the ATSS.

3. Documentation of Experience:

Resume: *A current resume indicating your current employment or volunteer position in a field or position which includes trauma-related/crisis intervention work.* This information will usually include a position involving work with domestic violence, schools, crime victim's services, rape crisis, crisis lines, hospice, chaplaincy, disaster services, child victims, combat veteran's, police, fire personnel, emergency medical services, corrections, Red Cross, and trauma service ministries. Other trauma-related counseling and service positions may also qualify for experience. Consult your sponsor if you are unsure. The resume must clearly indicate a minimum of 40 hours of experience as a member of a crisis response team.

4. Supervisor Letter

Letter documenting 40 hours of experience as a member of a crisis response team. In order to verify documentation of experience in Critical Incident Debriefing/Management. Submit letters from team leaders, supervisors or administrators stating your experience and the quality of your intervention.
The letter must specifically recommend you for certification as a CTR.

5. Sponsor Letter

A letter of support from your certification sponsor must be included with your packet. If you do not know someone who can sponsor you, please contact Diane Travers at dtravers@mhassessex.org

6. Education Documentation

Documentation of education will include the following possibilities. Choose the one appropriate for you.

- A copy of your AA or higher degree, or
- A copy of your high school diploma, or GED

11. Questions about appropriate experience and education or about your qualifications for certification should first be directed to your sponsor. Please contact ATSS at 973-559-9200 for all other questions

12. Re-Certification

CTSS re-certification will be required every three years starting from the time you are certified and ending the time you re-certify. Thirty (30) hours of continuing education will be required for re-certification. Please keep copies of transcripts or certificates of attendance/completion of training you receive after your certification date to meet re-certification requirements. Please keep original documents and send a copy of the supplementation documentation to ATSS Headquarters.
