Certified Trauma Specialist Application Instructions

*Applicants are responsible for compliance with application requirements and instructions. If you submit an incomplete application, the Certification Board will not be able to complete the review of your application. **Your application fee is non-refundable.** Work with your sponsor to ensure that your documentation is complete.*

Certification Criteria

Applications are required to obtain membership with the Association of Traumatic Stress Specialists (ATSS) before applying for certification. Your membership must be processed and verified before your application for certification can be accepted at the member rate. Mail your application to the Association Headquarters at the address above.

The Certified Trauma Specialists (CTS) is appropriate for counselors and treatment specialists are facilitators of trauma recovery groups, hypnotherapists, art or drama therapists, individuals who provide Thought Field Therapy, Traumatic Incident Reduction, EMDR, meridian based therapy's, individual, group, and/or family counseling to trauma survivors. The standards for education are detailed in the application. You should review the criteria with your sponsor to ensure you meet the minimum requirements.

1. Application Form

You must fully complete the application form. Please type or print neatly. You must include your sponsor's name on the form. Your sponsor must be a Certified Trauma Specialist (CTS) in good standing with the ATSS.

2. Assignment of Sponsor

All applicants must be assigned an ATSS sponsor. Your sponsor must be a Certified Trauma Specialist (CTS) in good standing with ATSS. Contact Diane Travers at dtravers@mhaessex.org for assignment of a sponsor.

Sponsors will provide the following:

- Consultation regarding application process
- Confirmation that experience and training meets CTS criteria for certification
- Initial review of application
- Final review of application with sponsor letter recommending you be approved as CTS

3. Experience Criteria

2000 hours experience in counseling specific to trauma. Please complete the *Experience Form* in the application. You may also use a separate sheet of paper with "Experience" as the title and applicant's name. Only 2000 hours specific to trauma need to be documented. Example:

Employer	Dates	Trauma Populations	Hours
VA Lyons, NJ	1987-89	Vietnam Veterans	1,200
Shelter Our Sisters, DV Shelter, PA	1989-92	Domestic Violence	950

TOTAL			2,150
-------	--	--	-------

4. Documentation of Experience

Experience Form – Fill out the experience section on the first page of the CTS application. Be sure the information matches your resume.

Resume – A current resume/vitae must be included which documents the above mentioned information and elaborates on trauma population

5. Documentation of Education and Training.

- a. 240* clock hours of trauma specific education and training must be listed on the application in the *Education and Training* section. Details on the required courses are on the Minimum Standards Training and Education Form. If more room is needed, attach a separate sheet of paper that includes “Education and Training” as the title with the applicant’s name at the top of each page.
- b. The 240 hours must be supported with unofficial transcripts, certificates of attendance, CEU’s, and letters from supervisors or workshop providers. Each document must give your name, date of workshop, contact hours and verification of attendance. **Brochures and registration forms are NOT acceptable forms of documentation.**

- A college Degree is not a requirement for CTS. Final transcripts from a mental health field at the Masters or Doctoral level or a current state mental health license and a copy of malpractice insurance will satisfy 90 hours of required documentation for the following areas:

- | | |
|---|---|
| # 2. Intake/Initial Assessment/Psychosocial | # 5. Counseling: Individual, Family and Group |
| # 3. Differential Diagnosis/Dual Diagnosis | # 7. Community Resources/Referral |
| # 4. Treatment Planning/Case Management | # 11. Ethical/Legal Issues. |

Additional hours from transcripts may satisfy other education hours. Be specific in the description of course work to satisfaction of education hours. Please put documents in the same order as they are listed. The following is an example of how to write down the documentation in the Education and Training section of the application.

If the education/training hours are satisfied while attending college, the professor’s name is not necessary, provided the college’s name is listed as the Educational Provider.

Title of Class/Workshop	Date(s) of Training	Educational Provider/Trainer	Number of Hours
<u>Community & Social</u> 6. “Special Populations” SC 5203	Spring, 1991	University of Texas at Austin	15
<u>Electives</u> <i>Death & Dying</i> Working with Families of Homicide Victims: Complicated Bereavement	October, 1997	NOVA Cheryl Tyiska	6

6. Applicants Own Counseling

50 hours of counselor’s own counseling must be completed. This includes individual, family, and group counseling. Check the statement on the checklist page and sign. You do not need to provide documentation of your own counseling. *The counselor’s own personal counseling should provide an opportunity for the trauma specialist to recognize and address those areas, which may compromise or enhance the counselors ability to provide assistance to trauma victims.*

7. Letters of Recommendation

Three (3) letters of recommendation must be submitted with the application. The letters of recommendation should:

- a. Specifically address the skills of the applicant as a trauma treatment provider
 - b. Specifically address the ethical conduct of the applicant
 - c. A formal recommendation for the applicant to be a Certified Trauma Specialist. Recommendations must be submitted on letterhead.
 - d. Applicants' professionalism in the provision of trauma intervention
 - e. Applicants' ethical standards in the provision of trauma intervention
 - f. How long and in what capacity the writer of the letter of recommendation knows the applicant
8. **Fees.** The fee must accompany the application
- a. Current ATSS member - \$250.00
9. **Deadlines.** The ATSS Certification Board meets throughout the year. Your packet will be reviewed when it is received.
10. All supporting certification documents and the certification fee must accompany your application. Incomplete applications will be held by the certification board until all documentation is received. Allow 90-120 days after the review for notice of certification status. Questions about appropriate experience and education or about your qualifications for certification should first be directed to your sponsor. If your sponsor is not available, contact Diane Travers at dtravers@mhaessex.org To received additional forms, please view the website www.atss.info
11. Re-certification. Your certification is valid for three years. If you have not received a re-certification application when your certification is due to expire, please contact headquarters and one will be sent to you. The requirements for re-certification are as follows: verification for 30 hours of education or training in a trauma specific field, a \$175 re-certification fee, and proof of current ATSS membership (membership card, copy of dues invoice, etc.) Thirty (30) hours or re-certification must be accrued during the time you are certified and the time you expire
